

AquaConSoil Antwerp 2019

Sustainable Use and Management of Soil, Sediment and Water Resources

15th International Conference | 20–24 May 2019 | Antwerp, Belgium | CALL FOR ABSTRACTS OPENS IN SEPTEMBER 2018

Dear friends and colleagues,

The 15th International AquaConSoil Conference will focus on sustainable use and management of soil, sediment and water resources.

AquaConSoil2019 will take place in the cultural capital of Flanders, in Antwerp. Antwerp is both a bustling industrial port city and an outstanding historic center for Belgian craftwork and artistry. It will host delegates from research institutes and universities, governmental and consultant organisations and from industry.

AquaConSoil is organized by Deltares, in cooperation with a Flemish consortium under the lead of VITO/VLAKWA and OVAM.

The Call for Abstracts will be published in September 2018.

We are looking forward to welcome you in Antwerp!

The AquaConSoil program will offer **Thematic Lecture Sessions, Poster Sessions, Special Sessions, Exhibition, Technical Tours, Courses, and a Matchmaking event.**

AquaConSoil 2019 provides great opportunities for scientists, companies and policy makers to extend and enforce their network, start new cooperation activities and be informed of and inspired by the latest developments in the field of sustainable use and management of soil, sediment and (ground) water resources.

Further information can be found on: www.aquaconsoil.org.

Any news about the conference will also be announced via the

AquaConSoil LinkedIn-group.
